Hi everyone,

Hope you have all not been as busy as we all have been!

I know I say this every time, but I can't believe where the last three months have gone. I hope the next three slow down a bit—fingers crossed.

Steph's Photoshop Classes have been a great hit. She is continuing holding a class for those who want to do more with their photos. We will be running repeats of the classes in the next quarter if you missed out this time.

Our guest teacher Louise will be Art Journal Classes on Friday nights and Saturdays. She always brings a new approach to scrapbooking with her classes. For more information check out the class descriptions and time table.

Natalie has lots of amazing projects for you. She has some lovely layouts and off the page projects as well. She just gets better and better! She also is now a Copic Certified Designer and we will be getting her to do some classes soon.

Heather has another beautiful project planned. She has designed a box of Treasure. Each month you can join her to do some eclectic pieces. Tags, envelopes, mini books and more all designed to go into a box. She will also be doing her lovely layouts as well. I love her style it is so classic and elegant.

Kathy has more cards for us as well. She is also teaching our Copic classes. Look in the time table for Copic Classes. We also have some Copic Club member workshops planned so check out the class descriptions and book in early so as not to miss out.

We have started planning for our ALL DAY SCRAP. As lots of you know this is a great day and this year looks like being even better. The day is already nearly half full, so don't leave it too long before adding your name to the list. Projects will be available for viewing soon. We have started a layby system where you can layby the All Day Scrap and/or the Prima Ladies and pay it off before the day.

We have some new classes starting this quarter so take the time to look at the time table and class descriptions.

I have been busy as well, this year in January I attended CHA with Jan. We would love to share the fun we had with you. Join us for CHA & USA with Jan and Jane and we will present a slide show of our trip. This night is free, but we are limited to the number we can have so ring and book it. We will be providing a light supper and its FREE. I have reapplied for the Graphic 45 design team for 2011 and will find out Saturday if I have made. I did a lot of projects and layouts for CHA and will be teaching them in the store over the next three months. Check out the time table of more information.

I have decided to do some Altered Art Classes. This is one area of Scrapbooking that I love but have never had the time to indulge in. After attending CHA I really want to play with this art form, so join me for some special projects and lets explore this wonderful addiction together.

Our Website is nearly finished and I should be up and running over the weekend. The address is **[www.seriouslyscrapbooking.net.au](http://www.seriouslyscrapbooking.net.au)**. Keep checking it from time to time. We are all quite excited and have been busy loading product and photos onto it. We hope to have lots of our kits available as well for those of you who are unable to make it to classes. Check the blog out and we will post once its all working.

Each couple of days we update the blog with up coming classes or sneak peeks.

Each week we might have a blog special which you will need to mention to receive the discount.

From this blog you can jump to our individual blogs and keep in touch with what is happening in our little worlds.

As you can see we have lots planned for the next three months, Look forward to seeing you soon and thanks again.

Jane Tregenza. On behalf of—Kathy, Natalie, Meg, Julie, Sam, Span, John and our teachers Steph and Heather.
