Hi everyone,

Hope you have all not been as busy as we all have been!

The past three months have been very busy for us at the shop. We had a booth at the Brisbane expo. It was full on with Natalie, Josh and some help from friends working extremely hard. On the first day the booth was five ladies deep and it was like that all day. The next two days were not quite as busy. I taught 9 classes over the three days. I met lots of lovely ladies from all over Australia and New Zealand. It was a great experience for me and really enjoyed.

The next big thing on the agenda is our all day scrap. It is booked out with 85 ladies joining us for the day. If you have booked in you will need to pay in full by the 7th July, this will secure your spot. We are whittling down our waiting list. We will be placing a list of tools and photos needed for the all day scrap on our blog the week before, so make sure you check it out.

Once again we will be at the fair located at the Marion Leisure Center on the 7th August, starting at 10am. Make sure you stop by and say hello.

Don't forget to have a think about doing a class with the two Ladies from Prima. They are amazing Ladies and have some lovely projects planned for us. You can lay-by your classes and pay them off over the next few months.

The Ladies doing Heather's beautiful treasure box project are enjoying it immensely. Each month they are doing an eclectic piece for their box. Tags, envelopes, mini books and more. We have talked her into doing some other classes as well. Heather is on the design team for some other blogs and has been doing some wonderful layouts for them. She will be sharing them with us once a month. I love her style it is so classic and elegant and if you haven't done a class with Heather then make sure you do in the next couple of months.

Kathy has more cards for us as well. Her July cards will be Christmas designs for those of us who like to get a head start. She is also teaching our Copic classes. Check out the timetable for her classes. We also have some Copic Club member workshops planned so check out the class descriptions and book in early so as not to miss out.

Nat has some wonderful classes planned for the next three months. She will be doing some Copic classes using some La La stamps. She has some lovely layouts and even a mini book planned for you all.

Steph is now on the Prima Design Team, and congratulations are due, it is not an easy team to get on!. We can't wait to see what she comes up with. Steph will also be running a new series of photo shop classes in the new time table.

I will be teaching my Graphic 45 Pop Up Book, if you would like a challenge. Join me and make this book over the next 12 months. I am also doing some Altered Art Classes, this is one area of Scrapbooking that I love but have never had the time to indulge in. I have some special projects planned so pop in to the shop and have a look.

Our Website is finished! It has taken months and months and we are really happy with it. The address is

www.seriouslyscrapbooking.net.au.

Keep checking it from time to time. We are all quite excited and have been busy loading products and photos onto the system. We have some of our teachers kits available for those of you who are unable to make it to classes. I hope to have some of mine on there soon. Don't forget to check out the blog from time to time to see what has been happening.

www.seriouslyscrapbooking.blogspot.com

From this blog you can jump to our individual blogs and keep in touch with what is happening in our little worlds.

As you can see we have lots planned for the next three months,. Look forward to seeing you soon and thanks again.

Jane Tregenza. On behalf of—Kathy, Natalie, Meg, Julie, Sam, Span, John and our teachers Steph and Heather.
