Hi everyone,

Hope you have all not been as busy as we all have been!

We have lots planned for the next three months, so get a coffee, sit back and enjoy reading what we will be doing!

We will be holding our All Day Scrap on Saturday 31st of July. We booked the church across the road as this is a perfect venue and worked well last time. I know you all loved this day and the projects are going to be better than ever (so Nat's says)! Heather, Steph, Nat and myself will be teaching during the day and they are all looking forward to it! Heather has a card/booklet planned, Steph will be showing you how to making fabric paper flowers, Nat has a family mini book planned and I am doing a Graphic 45 project. The day will be fantastic and as usual, the morning tea and lunch planned will be divine! You will need to pay in full by the 14th of July to secure your place.

Our guest teachers have had a great response from you. Lots of you have taken a class with these talented Ladies. Along with Louise and Kathy, we have another Guest teacher for you. Julie Kelly-Nelson will be doing some classes for us in July and September. She is an accomplished artist in both fine & decorative arts and has taught internationally and locally for many years. Julie ran her own art studio in Adelaide & has published 3 books within the arts and craft genres as well as being a contributor to many Australian and US magazines. Julie will add a Mixed Media element to our shop and we know you will welcome her with open arms. Kathie Link is coming back also teaching two classes one in July and the second in August. Her project is a mini book using Teresa Collins papers and embellishments. Teresa Collins has featured Kathy's project on her blog. The book will be done over two classes and you need to book in early as the two classes will fill fast. Our other guest teacher Louise Nelson will be doing a class for us in September but this time in her truly unique and inspiring style—you wont want to miss this either.

It's great being able to have guest teachers from time to time as it adds to the array of classes being offered and hopefully gives you lots of inspiration.

think all our teachers and guest teachers would have to be among the most talented ladies in Adelaide. They keep coming up with amazing classes. We all have planned lots of layouts, projects and altered art pieces for you, for next three months, so make sure you don't miss out.

Have you been checking out the blog????? {our online diary}

www.seriouslyscrapbooking.blogspot.com

Each couple of days we update the blog with up coming classes or sneak peeks.

Each week we will have a blog special which you will need to mention to receive the discount.

From this blog you can jump to our individual blogs and keep in touch with what is happening in our little worlds.

As you can see we have lots planned for the next three months, we will be doing some Christmas projects in July to get you all into gear early! Look forward to seeing you soon and thanks again.

Jane. On behalf of—Kathy, Natalie, Meg, Julie, Sam, Span, John and our teachers Steph and Heather.
